

Cindy Prindle is a Microsoft Master Instructor employed at ***Hawkins, Ash, Baptie, & Company, LLP*** since 1999.

She enjoys every minute that she spends with her students in The Training Center, over the Internet, and on-site. She teaches everything from Microsoft Office Applications & Windows to Project Management and Web Development. She has worked in the computer industry since 1990 and can honestly say that she has never been bored on the job!

She is originally from the Minneapolis area and an honors graduate from St. Mary's University in Winona, Minnesota with a B.A. degree in Business Administration and Psychology and is currently pursuing a Masters Degree in Adult Education. She enjoys jogging, family, reading, and her Golden Retrievers in her spare time. She also enjoys teaching as an adjunct instructor for Western Technical College in La Crosse, WI.
